

Job Opening: Junior Research Analyst

This position is available immediately in our **Montgomery, AL** office.

Anzalone Liszt Grove Research is a nationally-recognized Democratic polling firm headquartered in Montgomery, Alabama with offices in Washington, DC, New York, Boston, MA, Chicago, IL, and Hawaii. We are looking for an intelligent, hard-working professional to learn the skills necessary to be a Junior Research Analyst. Research Analysts turn survey data into meaningful information used to provide clients with actionable advice.

Requirements for the position include:

- Bachelor's degree with coursework that includes exposure to research and/or statistics
- Experience using Microsoft Excel
- The ability to troubleshoot and problem solve
- Willingness to learn data analysis methods relevant to public opinion research
- Ability to multi-task in a fast-paced environment
- Attention to detail: ability to proof & review large sets of numbers
- Creativity in data analysis and processing
- Political interest or experience
- The ability to laugh at oneself or tell a good joke

Preference given to candidates who have:

- Experience using SPSS
- Exposure to other statistical software such as R, SAS, STATA, Sawtooth, etc.
- Ability to understand/review programming code/logic
- Familiarity with analyzing categorical data

Anzalone Liszt Grove Research offers a competitive salary and benefits package that includes employer-paid health insurance. Email resumes to andrea@algpolling.com . Open until filled.
